Hon. Commissioner for Patents,

Sir:

Responsive to the Office Action dated July 15, 2003, the following remarks are made:

In deference to the election requirement on page 2 of the above-identified Office action, applicants elect the species of a surgical clip having a retainer with a length of at least P_i times the distance between the arms for prosecution at this time with traverse. Applicants respectfully request the Examiner to specify why more than one search is required (i.e., is it the classification(s) of the species which led to the requirement?).

The following claims read on the elected species of Figs. 19-24 : claims 1-10, 17, and 18.

In view of the foregoing, the early issuance of an Action on the merits, and the allowance of all of the claims are solicited.

Petition for extension is herewith made. The extension for response within a period of one month pursuant to Section 1.136(a) in the amount of \$55.00 in accordance with Section 1.17 is enclosed herewith. Please charge any other fees which might be due with respect to Sections 1.16 and 1.17 to the Deposit Account of Lerner and Greenberg, P.A., No. 12-1099.

Respectfully submitted,
